

## Mission Prayer Focus Reminders

(taken from February)

Our **SGA** support is for Roman Oleynik, his wife Tanya and two children Leo (3) and Solomie (9 mths).

- Pray for my family so that God gives us wisdom in raising our children.
- Pray for the safe arrival of the baby due in March
- Pray that God will show us how to develop our ministry in the future, to which we are called.

Our **New Tribes Mission** support is for Poul and Carol Joensen .

- Please continue praying for Peter who is in sorrow after his wife's death (in Sorimi); someone is raising his newborn baby. He has two other children.
- Carole has had some health needs recently with a few little things, as well as mild anaemia, which has all left her quite drained, but she feels she is beginning to pick up energy again.
- Pray for the next trip to PNG likely in July/August for the whole family.

Do you have a favourite fact? My favourite fact is this “there are more stars in the universe than grain of sands in the earth”. Scientist have tried to put a number on this and one of the estimates is 1,000,000,000,000,000,000,000,000 stars, or a "1" with 24 zeros after it. The Bible states that God made the Sun and the Moon and then it adds “He also made the stars” (Genesis 1:16). The first line of the Bible says “In the beginning God created the heavens and the earth. “. God made everything from nothing. Knowing God as creator should lead us all to worship Him.

“You alone are the LORD. You made the heavens, even the highest heavens, and all their starry host, the earth and all that is on it, the seas and all that is in them. You give life to everything, and the multitudes of heaven worship you. (Nehemiah 9:6)” **Chi Wah**
